DVD

DVDs of images are available, supplied in a gorgeous micro-leather folder, with a velvet drawstring bag for added protection.

All of the images that you select to be included in an album or made into photographic prints get extra special attention with our standard retouching. Therefore, we encourage you to wait to order your DVD until after you've ordered your favourites as reprints or they're designed into an album so that the collection of images will include the artistically edited versions.

DVDs can be purchased on their own, or if ordered in conjunction with any of our print products, the following discounts will apply:

	DVD price
Purchased on its own	£300
Spend more than £150 on printed products (after discounts)	£260
Spend more than £250 on printed products (after discounts)	£230
Spend more than £500 on printed products (after discounts)	£175
Spend more than £750 on printed products (after discounts)	£50

Spend more than £1000 on printed products (after discounts), and a DVD is supplied **for free!**

Please note that the copyright ownership for all images remains with the photographer. When purchasing a DVD, we include a license for you to print any of the images for personal use only.
